Follow Up - Repeat Smear Test

Dear Doctor,

The woman below was recommended for a repeat smear test following the earlier smear test noted. CervicalCheck has not yet received notification of the repeat smear test.

It is important to follow up this woman. As the clinically responsible doctor for her last smear test, could you please advise by return on the woman's current status either online as noted above, or by returning this completed form. *Thank you.*

MS. Molly Moloney
DOB: 12.12.1975

Cockle Street Broadford Co Kildare
Date Smear Taken: 30.09.12
